THE EASTERN COACH WORKS EVENT 2012

SATURDAY 16th & SUNDAY 17th JUNE

Twenty five years since the last bus was built at the Eastern Coach Works factory in Lowestoft, join us for a celebration of our local bus bodybuilder. Whilst the building itself is long-gone, many of the vehicles constructed there remain and will be coming 'home' to mark the closure of one of the town's best known industries.

- ▶ **FREE** regular bus services to Lowestoft and Beccles using ECW-bodied vehicles
- ▶ Extensive display of ECW-bodied buses and coaches from all eras of production gathered from across the UK

- ▶ **FREE** feeder bus service from & to Norwich (Sunday only)
- ▶ **FREE** bus excursions to local places of interest
- ▶ Full tram, trolleybus & narrow gauge railway service

ENTRIES of ECW-bodied vehicles always most welcome! Please contact the 'Events Organiser' at the museum address for details.
